Announcements	<ul style="list-style-type: none"> This Saturday, June 21 from 9a.m-3p.m. Grandparents Raising Grandchildren resource event in the south region. August 23rd, there will be an event in the North Region. Event will include a wellness zone with health screenings, 5-2-1-0 information, Rethink Your Drink, and resources on guardianship and medical. Saturday, June 28 from 10a.m-1p.m. Olivewood Gardens is hosting a Day of Play. Kaiser, USD and CIGNA are sponsoring a “Weight of the Nation” Wellness Forum, free to the public, on July 12 from 4-6p.m. Speakers include Kaiser’s Dr. Rott, Deirdre Kleske, and Cheryl Moder. San Diego Farm to School Taskforce (F2S Taskforce) had a discussion catalyzed by the proposed Healthy, Hunger-Free Kids Act school meal nutrition standards waiver about bringing together food services with the Schools & After-School Domain to promote shared understanding and opportunities to enhance nutrition education and school meals. Deirdre recommended framing the conversation around smarter lunchrooms, how food services and the Schools Domain operate, and available resources. The next F2S Taskforce meeting is August 1st. June 28-July 2, 2015 Biennial Childhood Obesity Conference will be in San Diego. The call for proposals will be released June 27 with a July 25 deadline. Cheryl is on the planning committee 	<ul style="list-style-type: none"> Deirdre share USD public forum information. Notify JuliAnna if you would like to help plan the joint food services and domain event. Notify JuliAnna if you are interested in participating in a track committee.

	<p>and JuliAnna is co-chairing the food systems track.</p> <ul style="list-style-type: none"> • Voting today on SB 1000, the soda warning label. Please call Lorena Gonzalez and Rocky Chavez before 1:30p.m. and express your opinion on SB 1000. • Hoover Cluster at San Diego Unified School District is planning a wellness council, which would be a model for the district. • Help advertise the 211 summer meal locator, so kids won't go hungry. 	<ul style="list-style-type: none"> • Share 211 summer meal locator with Nicole of Council of Community Clinics
<p>Engaging Parents- project update</p>	<ul style="list-style-type: none"> • Deirdre presented on one Domain project: train-the-trainer sessions focused on reducing access to SSBs, while promoting water, using California Project LEAN's Parent Engagement Training. • Domain is interested in capturing more data on the number of participants that go on to train others. Discussion focused on creating a report form that could be shared at the training and/or adding a reporting section to the COI website where participants can enter data. Report should also ask if participants are interested in continuing their advocacy efforts and provide information on RLA. • Kate presented at the 9th District PTA Summer Leadership conference last week on local school wellness policies. She met a number of parents at schools that are not currently part of UCSD's <i>Power Play!</i> Program. Parent leaders expressed a great interest in future involvement. • Future PTA partnerships could involve presenting SSB training to the PTA and encouraging and connecting healthy fundraising opportunities to schools and parent groups. • Kay recommended trying to gain the support of the State PTA by providing a list of healthy fundraisers with earning potential and success stories. 	<ul style="list-style-type: none"> • Deirdre to create follow up questions for participants. • Deirdre to set meeting with PTA Health Chair. • JuliAnna to discuss with Dana and Yeni, connecting this training to the RLA program.
<p>Action Plan- strategies update</p>	<ul style="list-style-type: none"> • Currently updating the <i>Action Plan</i>, which acts as a roadmap for each of the domains, by identifying evidence-based and promising strategies we believe are the most effective in addressing childhood obesity. • New Domain page will highlight partners, recommendations, strategies, and examples of the work we are performing. This section will take three to four meeting to complete as a group, and must be completed by November's Leadership Council Meeting. • The action plan lists all of the strategies for each domain, which will remain the same for the next few years (until the next Action Plan update), while the work plans clearly define what domain partners plan to accomplish within a specific timeline, such as over the next year. 	<ul style="list-style-type: none"> • Review template & become familiar w/ format. Review back pg. of agenda & think of how your expertise/niche/

	<ul style="list-style-type: none"> • Case Studies should highlight domain initiated projects. The Action Plan strategies must align with the Strategy Selection criteria, but can be borrowed from other reputable sources. • Domain agreed to have a structured brainstorming session for the first meeting to get as many opinions and voices participating in the development of the section. Subsequent meetings may involve a subcommittee that will report out and seek input at future domain meetings. • YMCA After- School program is excited to be more involved in the domain and hopes to bring more partners to the table. • Domain discussed changing the meeting location for July to a more central location. • A District Rep Forum will immediately follow today’s meeting and is for District Reps (domain partners who act as liaisons with specific school district wellness leads and serve on wellness committees). 	<p>best practices can tie into the childhood obesity efforts & the selection criteria.</p> <ul style="list-style-type: none"> • Invite more partners to next few domain meetings for input. • Research more central meeting space.
<p>72-Hour Challenge!</p>	<ul style="list-style-type: none"> • Participants are encouraged to act on something they learned today within the next 72 hours. 	<ul style="list-style-type: none"> • Suggestion: Review meeting packet.
