Announcements	<ul style="list-style-type: none"> Sharon Hillidge with Chula Vista Elementary School District will be retiring in June; Deirdre brought in a card for partners to sign. 5/16 Inner City Athletic Program and the Copley Family YMCA are partnering to host a free baseball camp from 9am-3pm. 5/17 from 1-4pm is CHIP's 3rd annual Brew Rendezvous fundraiser. 4/25 is Healthy Kids Day at YMCAs throughout the area; the largest event will be in Chula Vista. San Diego Unified's revised Local School Wellness Policy and Wellness Framework passed unanimously; a number of partners participated in the revision process and students helped provide influential testimony. 	<ul style="list-style-type: none"> Review San Diego Unified's revised policy and framework on the COI website.

Presentation: Wellness that Works!	<ul style="list-style-type: none"> School environments have historically offered low-nutrient foods to children and limited opportunities for physical activity. School Health Guidelines are nine evidence-based recommendations and strategies schools can implement to improve the environment. Now called "Whole School, Whole Community, Whole Child (WSSC)" - formerly known as Coordinated School Health. <ol style="list-style-type: none"> 1) Policies and practices-coordinated approach to develop, implement, and evaluate healthy eating and physical activity policies and practices. 2) School environment-that supports healthy eating and physical activity. 3) Nutrition services-provide quality meal program and ensure all options are healthy. 4) Physical education and physical activity-comprehensive program including physical activity opportunities before, during, and after school. 5) Health education-provide students with culturally appropriate, evidence-based, age 	<ul style="list-style-type: none"> Nina send PDF version of the PPT to group Nina add BMI Toolkit to the COI website

	<p>appropriate educational materials.</p> <p>6) School Health Services-ensure staff is available to provide physical and mental health services.</p> <p>7) Family and community involvement-engage families and stakeholders in policy development.</p> <p>8) School Employee Wellness-determine needs, engage staff, establish, and evaluate.</p> <p>9) Professional development-provide opportunities for continuing education.</p> <ul style="list-style-type: none"> Paige noted that the California Physical Education Standards are more rigorous and comprehensive than the National Physical Education Standards. Districts follow the state standards and framework. The Los Angeles-based City Project recently released three <u>tools</u> to support physical education in schools. 	
<p>“Time to Eat” AB 292 discussion</p>	<ul style="list-style-type: none"> If approved, AB292 would require schools to provide students with 20 minutes to eat. This legislation was discussed at the April Leadership Council meeting; the Council decided to confer with Schools Domain prior to taking a stance on the legislation. Partners expressed concern regarding the fiscal impacts to schools and unintended consequences; however the majority of the workgroup voted to support AB 292 because of the consensus that it would be beneficial to students. The workgroup agreed that if the legislation passed, we could provide support and resources to schools regarding implementation, including California Smarter Lunchrooms resources. 	
<p>Project updates</p>	<ul style="list-style-type: none"> Participants that hadn’t had the opportunity to sign up for projects were encouraged to show support for one or more projects. 	
<p>Farm to School Taskforce Update (F2STF)</p>	<ul style="list-style-type: none"> 4/10 F2STF in partnership with the USDA hosted a procurement training to help school districts solicit bids for fresh, local produce. RFAs to provide two school districts with technical assistance in developing a three-year strategic plan to implement farm to school are due 4/22 at 5pm. 5/29 from 9am-12pm is the next F2STF meeting at the SD Farm Bureau, contact Elizabeth for more information evaughan@sdchip.org
