Topic/Issue	Discussion	Action
<b>Welcome</b>	<ul style="list-style-type: none"> <li>Paige Metz led introductions.</li> </ul>	
<b>Announcements</b>	<ul style="list-style-type: none"> <li>Elementary and Secondary Education Act (ESEA), formerly No Child Left Behind is up for reauthorization. The House and Senate versions are similar, but the Senate version would make physical education a core subject. The bills are in conference and it's likely that we'll have more updates at the January meeting.</li> <li>"Local Control Accountability Plans: The Wellness Connection" training will be 12/3 from 9-12 at the San Diego County Office of Education. Registration ends 11/23 and attendees will learn how to advocate to include wellness in district budgets. Local examples will be provided along with tools to monitor implementation.</li> <li>Suicide Prevention Council's Schools Collaborative is hosting a Youth LGBTQ and Suicide Prevention Forum and Resource Fair on January 7 from 8:30am-12:30pm in San Marcos. The event will teach participants suicide prevention and mental health best practices, and LGBTQ awareness. Contact <a href="#">Lora</a> for more information and to register.</li> </ul>	
<b>PE/PA and Fit2Learn, Fit4Life</b>	<ul style="list-style-type: none"> <li>Two years ago, a lawsuit was filed against 39 school districts in California (four in San Diego).</li> <li>All districts involved in the lawsuit were required to go through a monitoring process and document 200 minutes of physical activity are provided every 10 days.</li> <li>In August 2015 a civil rights group filed a Williams Complaint with the US Department of Education stating the California Department of Education and school districts statewide are racially discriminating against African American and Latino students by failing to meet physical activity requirements.</li> <li>A second lawsuit was filed in late 2015 (by the same plaintiff in the first lawsuit) and included many more school districts (10 in San Diego) and the California Department of Education and is currently pending.</li> <li>With support from Supervisor Ron Roberts' office and HHSa, over the past year San Diego County</li> </ul>	<ul style="list-style-type: none"> <li>Share Fit2Learn website (<a href="https://fit2learn.sdcoe.net/">https://fit2learn.sdcoe.net/</a>) within your networks and encourage teachers to submit resources through the website.</li> <li>Contact Paige with any questions</li> </ul>

	<p>Office of Education (SDCOE) has been working with a team of teachers to create the new Fit 2 Learn, Fit 4 Life website.</p> <ul style="list-style-type: none"> <li>• The resources on the website meet the California State Standards, are age appropriate, increase physical education competence, and ensure students are physically active (elevated heart rates) at least 50% of the class time.</li> <li>• The website is still being populated and teachers are encouraged to submit resources and lesson plans (must meet Common Core and MVPA standards).</li> <li>• Students will be taught physical education using science concepts (biomechanics, anatomy, nutrition) and academic language.</li> <li>• Tools for teachers include: lesson plans, assessment tools, videos (to show what this can look like); the website will become a resource clearinghouse that is continuously updated.</li> <li>• Chula Vista’s CTG grant from K-6 will be linked as well.</li> <li>• A website kickoff will be planned within the next few months.</li> <li>• SDCOE is responsible for updating the website and reviewing materials (with assistance of a physical activity advisory group).</li> </ul>	
<p><b>Farm to School Update</b></p>	<ul style="list-style-type: none"> <li>• Farm to School Taskforce (F2STF) is a subcommittee of the Schools Domain <ul style="list-style-type: none"> <li>○ Met 11/13 and launched Harvest of the Month, next meeting is 1/22 in Cajon Valley</li> <li>○ CHIP (Community Health Improvement Partner) is continuing to provide procurement support to school districts</li> </ul> </li> <li>• Let’s Go Local! Produce Showcase, CHIP’s signature food procurement event, was held 10/23 at the Leichtag Ranch with over 200 individuals in attendance.</li> <li>• Results from the six-month follow up survey last year showed one in four businesses that attended the event developed a new relationship. A six-month survey will be conducted next spring.</li> <li>• Crop availability chart (based on 75 growers) was developed to assist institutional buyers with securing local produce.</li> </ul>	
<p><b>Project Updates- District Reps</b></p>	<ul style="list-style-type: none"> <li>• Workgroup reviewed the District Rep chart line by line and provided updates.</li> </ul>	<ul style="list-style-type: none"> <li>• <b>Nina send healthy fundraiser form and flyer with minutes and meeting reminders each month.</b></li> <li>• <b>Forward Deirdre healthy fundraising leads to investigate.</b></li> </ul>
